## FALL 2020 at TLC

### REMOTE ON-LINE TUTORING OPTIONS:

Students can now have their tutoring sessions done remotely via video conferencing with a TLC tutor. The instruction is live, with tutors able to explain current work or revisit foundation concepts. Tutors can share a virtual screen with students to work through problems and material in real time. These remote sessions can be both individual and/or group sessions, depending on a student's preference and needs.

### HIGH SCHOOL TUTORING GROUPS: MON-THURS

**2:30-4:00pm, 4:00-5:30pm, 5:30-7:00pm, 7:00-8:30pm**  
 Small study groups (2-5 students) meet 1X, 2X, or more per week. Students grouped according to grade and subject(s).

Homework Help	English	History	Study Skills
Foundation Math	Algebra	Geometry	Adv Algebra
Pre-calculus	AP Calculus	Science	Chemistry
Biology	Physics	Physiology	and more

Call or email for more info, or to reserve space in a group.

### INDIVIDUAL TUTORING Elementary-Middle-High School

Flexible schedules. Sessions are typically weekly at the same time/day with a tutor for consistency. Tutors look for gaps in comprehension and address "past, present, & future" material, reviewing and previewing subject matter as needed. Contact TLC for more information or to schedule a session.

### HOMEWORK CLUB FOR MIDDLE SCHOOL STUDENTS

TLC offers an after-school Homework Club from 4:00 - 5:30pm on Mondays, Tuesdays, and Thursdays, and from 2:30 - 4:00pm on Wednesdays. The focus is on study skills, organizational skills, task prioritization, and explanation of concepts. Additionally the group is focused on helping students with daily homework, and with completion of assignments. The Homework Club has limited space—advance registration is required.

## HOMESCHOOL SUPPORT FOR FAMILIES & STUDENTS

TLC is here to help out families who decide to opt for homeschooling. We have years of experience helping students who are homeschooled with academic support and study skills development. Call us to discuss your situation and particular needs. Our hours are flexible, and most subjects can be accommodated.
